

RANDY'S

PERENNIALS & WATER GARDENS

RANDY'S NURSERY INTERNSHIP OPPORTUNITIES

Dear future graduate,

Randy's Perennials and Water Gardens has internship opportunities available to students who want to learn more about the garden center business, plant identification and culture requirements, greenhouse management, propagation, and horticulture practices. We have hundreds of hardy tropical plants we are growing for next year including 6 types of bananas, kiwi, leopard plant, ginger lilies, agave, in addition to hundreds more perennials we will be growing in spring. We boast a large selection of plants hard to find anywhere else. There will also be potential of employment opportunity for the remainder of the spring season. Applications available in store and online. Stop in or email me if you are interested!

Jordan Brumbalow

Internship Coordinator

Hundreds of Perennials,
Annuals, Trees, Shrubs,
Tropicals, Cacti, Fruits,
and Hardy Tropicals!

Possibly the best selection
of plants in Atlanta!

Learn about edibles
including Tropical Fruits!

Grow plugs, propagate
